Main Information

Collected historical and literary articles and publications *XVIII век* is the main organ of the XVIII century Literature Department of the Russian Academy of sciences Research Institute of Russian Literature (Pushkin House). This serial edition permanently accompanies the work of the research group from 1935. The periodicity of publication, settled in the 2000-ies, is one issue in two years.

The table of contents and full texts of the majority of the articles are accessible via the following link

<http://lib2.pushkinskiydom.ru/xviii-%D0%B2%D0%B5%D0%BA>

The themes of materials correspond to the principal research areas of the Department:

Russian XVIII century literature's history in the aspect of relationships with the literature of the precedent and following period;

International relationships of the Russian XVIII century literature;

Relationships of the Russian XVIII century literature with other arts;

Problems of the critical biography and bibliography of the Russian XVIII century authors;

Publication and questions of textual study of the literary works and the historical documents of the XVIII century literary history;

All accepted materials are published gratis. ISSN 0130-075X

Admissible materials and rules of publication

Materials are accepted to publication if they have been never published before in Russian language (including on-line editions and media). The authors whom materials are accepted to publication are invited to a regular contact with the editorial board via e-mail for the solution of organizational questions and the distant editing. We ask the authors who decided to transfer their materials accepted to publication to another edition, to inform the editorial board on this without relay.

Please send your works in electronic form.

Formatting

Margins: top, bottom, right, left — 2 cm;

Alignment justified, without hyphenation;

Indented paragraph, of 1, 1 cm, make sure to use the rule on screen and not the tab key;

Footnotes inserted at the bottom of page automatically with the unified numeration. The footnotes are formatted in the same way that the main text (see above) excepting the paragraph indent that is not made. For the bibliographical and archive references consult the editorial board, please.

Reviewing

The editorial board makes reviews of all received materials that correspond to the edition's subject area for the purpose of an expert appraisal of them. All the reviewers are specialists in the subject area of the examined materials. The reviews on the arrived materials are kept in the editorial office for 3 years. In case of refusal to forward the material to review, the editorial board sends a motivated answer.
